ABOUT US

AUTOMOTIVE SYNERGY INCORPORATED started in 2004 with the aim of introducing new and innovative automotive products. Through the initial year Automotive Synergy stuck true to its aim and became the leader in GPS Navigation systems in Malaysia when the industry was still very new. Automotive Synergy made GPS Navigation a household word that everyone recognised till today with collaboration with Garmin from USA. Having led the field in GPS Navigation systems, Automotive Synergy was award 2 international awards from established research company Frost and Sullivan. The international business awards were given in 2007 and 2009 for Navigation system business.

Automotive Synergy went on to be official suppliers of GPS systems to many car companies such as Toyota (in collaboration with Panasonic), Mitsubishi, BMW, Nissan and Hyundai. With the evolution of the business Automotive Synergy moved to expand the business to cover more areas in the automotive industry such as anti Bacterial treatment systems by forming Bactakleen Anti Bacteria system via its sister company Excelsia Technologies.

Since 2008 Automotive Synergy has expanded to provide a wide range of products such as GPS systems, Anti bacterial treatment for air conditioning systems, tuning kits for diesel vehicles, fuel saving systems, engine care, special paints and more recently innovative car care products. Optimo and Radical was introduced in 2012 to take care of the special car care series and special colour changing paints.

Automotive Synergy currently exports its products to Singapore, Thailand, Indonesia, Philippines, USA, Brazil, Australia, New Zealand, Vietnam, South Korea, Canada, Japan and UAE. Visit www.automotivesynergy.com or Facebook.com/automotivesynergy or Facebook.com/bactakleen or Facebook.com/optimocarcare for regular updates on products.

NO POLISHING REQUIRED CLEANS IN 20 SECONDS

SB **OPTIMO STAIN BUSTER** is the latest in stain removal solution that works instantly to remove oxidation, water stains, acid rain stains and colour transfer stains. It's alkaline based solution is safe on car body paint work and can be used on plastics, metal and rubber parts. Works on all car body colours. Keeping your car's paint looking new is easy with Stain Buster.

BENEFITS:

- Saves time, money and water.
- Works instantly to lift stains.
- Safe on original paint work.
- Helps to revive the paint work.
- Superb results for white and light coloured cars.
- Alkaline based cleaner that will not leave marks on the paint work.

CLEAN YOUR CAR WITHIN SECONDS WITHOUT THE USE OF WATER

W **OPTIMO WATERLESS CAR WASH** is a simple 1 step cleaning solution that uses no water. It is suitable for cleaning the car's exterior, interior, glass and wheels. Spray on, wait 3-5 seconds for the dirt to lift and then wipe off with a microfiber cloth. Waterless Car Wash is ideal for quick cleaning and also for places where normal washing of cars with running water is prohibited. Waterless Car Wash is a water based formula that is fast acting and yet safe on the car's paint. Waterless Car Wash is suitable as a weekly maintenance cleaning solution.

BENEFITS:

- Safe on hands and car's clear coat.
- Waterless cleaning.
- Fast and effective.
- Affordable way to clean without using water.
- 1 step cleaner for car exterior, interior and wheels.

REVIVE CAR PAINT & PLASTIC PARTS TO LOOK LIKE NEW

OPTIMO PAINT & PLASTIC REVIVER is a one step application that is designed for quick and easy revival of old faded paint work and plastic parts to look like new in matter of seconds. Optimo Paint & Plastic Reviver will turn the paint and plastic component back to look like new without leaving a sticky or oily residue. The best part is that one application can easily last more than 1 year before the paint or plastic component start to fade.

BENEFITS:

- Non sticky and non oily.
- Quick drying.
- Low cost and effective.
- Simple wipe on application.
- Suitable for car paint and plastic parts.
- Revive old paint work and plastic parts in seconds.
- Provides long term protection against UV damage.

RESIST STAINS & DIRT BUILD UP ON LEATHER & VINYL

LP **OPTIMO LEATHER PROTECTOR** is a one step protector for leather and vinyl to resist stains and dirt build up. The unique water based formula gives it rich and natural look without any oil, slippery feel. One application will last between 4-6 months depending on the frequency of usage of the leather or vinyl surface. Optimo Leather protector will protect against UV and prevent the leather from hardening.

FEATURES:

- Durable resistance to oil and water based spills.
- Makes future cleaning much easier.
- Maintains leather in good condition.
- Protects against cracking.
- Resists heat damage.
- Prevents discolouration.
- Contains no phosphates, bleach, acids or alkaline.
- PH neutral formula.

CLEAN AND PROTECT THE CAR WITHOUT WAX

HS Imagine a shampoo that can clean and protect the car without wax. Optimo's Hydrophobic shampoo is exactly such a product that can do both without wax. Hydrophobic shampoo contains no wax and forms a hydrophobic layer as the car is being wash. It will help to keep the car cleaner for longer and extend the duration between washes since it can repel dirt and grime from the car's body.

HYPHOBIC EFFECT

HYDROPHOBIC ANTI-STAIN

REMOVES WATER MARKS WITHOUT HARMING THE CAR PAINT

WR **OPTIMO WATER MARK REMOVER SHAMPOO** is a quick and easy way to remove mild water stains on the car by just washing. After driving in the rain, dried rain water will often leave water marks if the car dries under the sun. This can be difficult to remove after sometime. Water mark remover shampoo is designed to help remove the water marks without harming the paint.

WATER MARK REMOVER SHAMPOO

WORKS TO CLEAN DIRT AND GRIME FROM CAR EXTERIOR

GS **OPTIMO GREEN SHAMPOO** is a bio-degradable shampoo that works to clean the car with minimal fuss. The highly concentrated formula helps you save money and reduce the amount of water used to wash the car. The active ingredients in the shampoo quickly lift dirt and grime from the surface to allow quick and easy cleaning. Apart from cleaning the shampoo also helps improve the gloss of the paint while protecting it from fading.

BENEFITS:

- Remove tough dirt and grime.
- Safe for all car finishes.
- Works quickly with ease.
- pH neutral and environmental friendly.
- Save time, money and reduce the use of water to wash the car.

FOR DEEP CLEANING & REMOVING WATER MARKS ON GLASS

GC **OPTIMO GLASS COMPOUND** is a specially formulated solution designed for deep cleaning glass and for removing water marks on glass. It is micro beads work to deeply clean and remove sediment, oil and dirt on all types of glass. It is suitable for windshields, shower doors, windows and mirrors. Using just a little is sufficient to effectively clean a large surface area.

SUITABLE FOR:

- Windshields
- Shower Doors
- Windows
- Mirrors

NON-ACIDIC

NON-TOXIC

RAIN REPELLENT WITH AN EDGE

RS **OPTIMO HYBRID 360 RAIN SHIELD** is a specially formulated rain repellent for glass and windshield designed to improve visibility when driving in the rain. The unique non-silicone formula adheres to the glass surface for long lasting effect while promoting ultra fast water repelling effect to drain away rain from speed of 50km/h onwards.

Hybrid 360 Rain Shield is extremely easy to apply and will last up to 6 months with each application. Once applied according to instructions the rain repelling effect works immediately and will not cause the wipers to judder unlike other brands. Visibility is tremendously improved especially when driving at night in the rain.

BENEFITS:

- Long last effect per application up to 6 months.
- Easy to apply.
- Starts working even at low speed.
- Non abrasive.
- Tremendously improves visibility.
- Immediate effect.
- Wipers do not judder.
- Anti static effect that prevents dust from adhering to the surface.

ULTRA HIGH PERFORMANCE PAINT PROTECTION COATING

BS

Optimo's unique glass and ceramic combination paint protection coating is an ultra durable protective coating that sits on the paint surface to provide protection from the sun, rain, dirt, oil and dead bugs. The special combination creates a super glossy effect while offering amazing water repelling properties which make the protected surface extremely easy to clean.

Once applied the protection starts immediately with literally no down time unlike glass coating which need several days to cure. With one application Hybrid 360 Body Shield will last 3 to 5 years with no deterioration in protection. Keeps the car looking like new for years to come.

BENEFITS:

- Strong anti uv protection.
- Super water repelling effect.
- Extremely easy to clean.
- Can be used on wheels as well.
- Easy application.
- Ultra durable.
- High gloss effect.
- Super heat resistant.

KEEPING COOL HAS NEVER BEEN THIS EASY!

SS **OPTIMO SUN SHIELD** is basically an existing concept that has been refreshed and improved upon for better application. The traditional window film has been around for decades and despite it being effective in cutting heat and glare, it is also expensive and cumbersome to install. Optimo Sun Shield is much easier, cheaper and can work with existing tints on the window. Sun Shield works on the static cling concept and has no glue. The application process takes less than half the time of the regular tint and unlike traditional tint, Sun Shield can be removed and reused again!

BENEFITS:

- High heat rejection of up to 85% and 89% UV rejection.
- Reusable with no glue.
- Significantly improve privacy.
- Can be cut to shape of the window.
- Does not obstruction power window operation.
- Low cost and very effective.
- No maintenance.

APPLICATIONS:

- **For Car:** Rear side windows, rear windshield and half of the two front side windows.
- **For Building:** To reduce heat and glare. This is especially useful for west facing windows which get the afternoon sun.

OPTIMO[®]

ENGINE CLEANING SERIES

DESIGNED TO ENHANCE THE LIFE OF THE FRESH ENGINE OIL

EF

OPTIMO ENGINE FLUSH is an environmental eco friendly solution. It is non toxic and qualified with REACH Compliance (requirement to sell in EUROPE) special formulation designed to dissolve sludge and clean the crankcase to enhance the life of the fresh engine oil. Clear out deposits to open narrow oil passages clogged by gunk. Release deposits and allowing the oil to flow freely saves wear and tear on the engine. Optimo Engine Flush is the only engine flush that add Lubrication and protection to your engine while cleaning.

FEATURES:

- Non Solvent base detergent to remove oil sludge and gunk with detergent methods.
- Dispersant to disperse the oil sludge from oil sum and engine corners.
- Lubrication to protect the surface while cleaning.

FUEL SYSTEM CLEANING SOLUTION

SUITABLE FOR PETROL AND DIESEL ENGINE

FSC

OPTIMO FUEL SYSTEM CLEANER is an ECO friendly fuel system cleaning solution, which contains no volatile organic solvents. It is specially formulated to remove gum and deposits from the fuel delivery system. It cleans the fuel pump, injectors, and intake valves. It restores your engine performance and fuel efficiency. Optimo Fuel System Cleaner is the only solution that adds lubrication and protection to your fuel delivery system while cleaning.

FEATURES:

- Contains no volatile organic solvent.
- Effectively cleans the injectors, intake valves and combustion chambers.
- Lubricates the fuel pump, injectors and intake valves, to protect the system while cleaning.
- Reduces all unwanted emissions.
- Restores engine performance.
- Improves fuel efficiency.

ADVANCED ENGINE TREATMENT AND FRICTION REDUCER

OA **OPTIMO OIL ACTIVATOR** is a highly concentrated Advanced Engine Treatment and Friction Reducer additive that works with most synthetic, semi-synthetic and mineral engine oils. Designed with similar friction modifier used in the Aeronautics and Space Technology, researchers at Optimo achieved a revolutionary technology breakthrough in reducing engine drag, friction and noise to a point where drivers can actually feel the difference in their vehicle's performance almost instantaneously upon using Optimo Oil Activator.

Optimo Oil Activator is 100% natural base, non-flammable, pH neutral and does not contain any chlorine, alcohol or Teflon and is environmentally safe.

COMPOSITION & PROPERTIES:

- 100% formulated from natural esters.
- Non toxic, environmental friendly and biodegradable.
- Operating temperature: 28°C to 600°C.

SUITABLE FOR:

- Fully synthetic, Semi synthetic or mineral oils.
- Natural Aspirated and Turbo engines.

Engine Oil Capacity	45ml/bottle
Up to 6 Liters	45ml
6 to 8 Liters	90ml

FOR 80 LITERS PETROL OR DIESEL TREATMENT

ME **OPTIMO MILEAGE EXTENDER** is an Advanced Bio Ester Fuel Additive. It improves fuel combustion, cleans fuel delivery system and combustion chambers, as well as lubricates upper part of engine cylinders and valves.

Optimo Mileage Extender is 100% formulated from natural plants esters. It is designed to address today's competitive requirements for engine performance, fuel saving, maintenance and protection of combustion engines as well as fulfilling social responsibility of keeping a greener earth. A Truly Green Fuel Technology.

BENEFITS:

- Reduces fuel consumption.
- Increases engine power.
- Reduces exhaust emissions.
- Achieves more mileage with every litre of fuel.
- Cleaner environment Reduce Air Pollution & Global Warming.
- Reduces engine noise.

ACCESSORIES

MOST SUITABLE TYPE OF CLOTH FOR CLEANING A CAR WITHOUT SCRATCHING

MFC **MICRO FIBRE CLOTH** is the most suitable type of cloth for cleaning a car without scratching. The long soft fibres picks up dirt and tucks it away until it is washed allowing it to safely clean the car without scratching the paint. It is also highly absorbent allowing it to absorb 5-10 times the water of its own weight.

Available in 2 sizes (small & long)

MICRO FIBRE CLOTH

INTERIOR CLEANING BRUSH

REMOVES DUST AND CONTAMINATES QUICKLY

ICB Specially designed brushed for cleaning leather, fabric and plastic surfaces. The interior cleaning brush can be used with liquid leather or fabric cleaners for fast cleaning action. By using the interior cleaning brush the amount of cleaning solution is significantly reduced to save on cost and time.

Dimensions: 50mm x 120mm x 35mm

bactakleen®

ANTI-BACTERIAL TREATMENT SYSTEM

BACTAKLEEN ULTRA MIST SOLUTION is developed specifically to be used only with the Ultra Mist Machine. It instantly kills up to 99% of bacteria and mold spores in the air conditioning system.

BENEFITS:

- Kills 99.9% of the bacteria, mould and fungi.
- Reduces the spread of Influenza such as H1N1, SARS and the common cold.
- Improves air quality and reduces bad odour.
- Helps individuals with existing respiratory conditions such as allergies, multiple chemical sensitivity and asthma to breath better.
- Removes build up of bacteria colonies.
- Safe, non-toxic and environmentally safe.
- Improve air-conditioning efficiency, thus reducing your electricity cost.
- Flexible application techniques customized to your needs.
- Provides immediate and long term protection against bacteria and viruses.
- Clinically test proven by Chemlab, TUV, SIRIM and SGS.

APPLICATIONS:

Bactakleen is applicable to all industries below:

- Automotive
- Homes and Offices
- Industrial
- Education
- Medical
- Fitness and Well-being
- Food and Beverage
- Shopping and Retail
- Hospitality
- Entertainment and Recreation
- Tourism and Cultural

WORKS TO KILL BACTERIA, FUNGUS, VOC AND FORMALDEHYDE

BACTAKLEEN ANTI VOC is an active sterilizing solution that works to kill bacteria, fungus, VOC and formaldehyde. Anti VOC works on solid and porous surfaces to provide a long term sanitizing and deodorizing effect. It is ideal for painted walls, new furniture, table tops, car interior and many other surfaces that produce VOC or bacteria colonies or fungal/mildew growth.

AREA OF APPLICATIONS:

- Anti VOC is particularly useful for newly made furniture, newly renovated homes or newly formed plastic components which often release VOC.
- Despite the usage of low VOC paints in homes, there are still a small amount of VOC that can potentially harm the occupants.
- For car, plastic components on dash board, adhesives use in parts assembly also release harmful VOCs into the vehicle cabin.
- Casino, KTV, bars or pubs where tobacco smoke is a problem. Anti VOC will reduce the effects of tobacco odours.
